Important Statement: Autologic's decision to stop selling its products in Russia

24th June 2015

Dear Customer,

This is to inform you that Autologic Diagnostics has decided to stop selling its products and services in Russia this year. We have formally announced this decision to our distributor OOO Interlaken-Rus and we want to ensure that you know what these changes mean for you as an Autologic customer:

1. Autologic Diagnostics will stop selling all products or services to customers in Russia after the 9th September 2015.
2. You will have the option to renew your support contract up until 9th September 2015, for a maximum period of 12 months.
3. After 9th September 2015, no further support renewals will be accepted.
4. After 9th September 2015, all existing customers will be supported until their contractual expiry date.

In the meantime, if you have any remaining questions that are not addressed in this statement, please email us at **distribution@autologic.com**. We will do our best to respond to your questions.

We understand that this decision may disappoint you. However, we would like to thank you for your custom with us over the years.

Yours faithfully,

Neil LePine
Head of Sales – EMEA APAC
