ADVANCED DIAGNOSTICS

New Software Release

ADS184 GM CAN 2012

PINCODE READING & KEY PROGRAMMING

June 2012

Advanced Diagnostics are pleased to announce the release of new software for GM Astra J and Chevrolet Cruze. Previously ADS184 only covered South American vehicles, but now it will cover all Chevrolet Cruze and Astra J worldwide. The software will read pincodes and program keys for the Chevrolet Cruze, and read pincode for the Astra J (Key programming for the Astra J is part of ADS130 - GM CAN software).
